

Scholarship Guidelines 2019

The following policy has been created to continue the First Congregational Church of Branford's mission to help each other follow Jesus' way through connecting all youth with outreach opportunities to share their spiritual gifts with those they may or may not know.

Full scholarships are available per the following scholarship guidelines:

1. Request for scholarship consideration must be in writing to the KPDC program director – applicant will be asked to confidentially and briefly explain their situation on the scholarship application as this is a part of the scholarship process. This is also an opportunity for KPDC to know how we can pray for the applicant and their family.
2. Request for scholarship does not guarantee or reserve enrollment for camper.
3. **Scholarship applications will be due by June 3, 2019**
4. Scholarship is based on attendance in one week of camp.
5. **Scholarships only apply to camper tuitions - they do not apply to junior counselor tuitions.**
6. Scholarships will only be awarded for one week of camp – they will not be awarded for multiple weeks unless situation is discussed with program director.
7. These guidelines are subject to modification in order to meet unanticipated needs per the KPDC program director.
